

Lily and Schammy Ministry

Digital Product Ladder 03

Courses on Bible Study, Prayer, Discipleship, and AI-Assisted Ministry

Structured pathways that turn interest into lasting practice.

This course ladder turns videos, articles, handouts, and live questions into a guided learning path for seekers, believers, families, and ministry teams.

Story frame

Many people do not leave faith because they hate truth. They drift because no one showed them how to read, pray, ask, serve, rest, and return after failure. These courses are built as a patient path back to Jesus.

Bible proof

- Matthew 28:18-20 connects teaching with lifelong discipleship.
- John 15:4-5 teaches that fruit comes from abiding in Christ.
- Ephesians 4:11-16 shows the church growing as each part is equipped for service.

Includes

- Bible study habit course outlines
- Prayer practice modules
- Discipleship decision maps
- AI-assisted ministry workflow lessons with human review and Scripture-first boundaries
